Subj: ACCEPTANCE OF ELECTRO TYFON MTX 150/130 SHIP'S WHISTLE

Gentlemen:

We have reviewed the information forwarded with your letter of May 9, 1990. Based on the information submitted, your Electro Tyfon MTX 150/130 Ship's Whistle meets the technical requirements of Annex III to the International Regulations for Preventing Collisions at Sea (72 COLREGS). The Electro Tyfon MTX 150/130 Ship's Whistle is acceptable for use on U.S. Coast Guard certificated vessels 200 meters or more in length.

The installation shall be in accordance with the manufacturer's instructions and subject to the satisfaction of the cognizant Officer-in-Charge, Marine Inspection (OCMI).

Sincerely,

A handwritten signature in black ink that reads "Thomas M. Nolan".

T. M. NOLAN
Acting Chief, Engineering Branch
Marine Technical and Hazardous
Materials Division
By direction of the Commandant
