Kockum Sonics ships whistles – Renewal of type approval.

With reference to your letter of 16 April 2003 in above matters, this to confirm that this Administration had renewed the type approval for following equipment: ELECTRO-TYFON MTX 150/130

The type approval issued on 22 January 1990, ref.no: 21.11-8977431 is from now valid up to 1 October 2008, depending on:

1. That the conditions given in the type approval are fulfilled during the period up to 2008.
2. State of actions taken by Council Directive 96/98/EC on marine equipment, if any amendments can also have an effect on this renewal of this type approval during the period up to 2008.

Yours faithfully

Magnus Crutebo
